Some of what you need to know about the Dunkel Bros. 2018 Christmas Display

La Mirada~Dunkel Bros. Orange County Machinery Moving has been in business since 1975 and has been based in La Mirada for the last 16 years.

The company relocated last year from their South Firestone Boulevard location along the freeway, to their new beautiful location located at the northeast corner of Alondra Boulevard and Phoebe Avenue, just east of Valley View Avenue. The change was necessitated by the construction involved with the current Interstate 5 Widening Project.

Although moving heavy machinery may be what the company is known for, over the years they have also created elaborate and unique Christmas light displays at its headquarters during the holidays for the public to enjoy.

This year is no exception; perhaps the best ever.

The display at the beautiful new Dunkel location features over two million lights all wired together and synced with holiday music, which can also be heard on 88.7 FM from your car.

The planter boxes within the display were designed and built by Dunkel Bros. exclusively for this display with each box containing 10,000 lights!

Peter Dunkel and Larry Dunkel are the owners of Dunkel Bros/La Mirada. Peter told us his Christmas spirit was instilled by his wonderful parents, Otto & Herbie who were married for 65 years. He told us every Christmas season they would load up their family of 12 kids and venture out to see the different holiday lights and displays.

The design of the new La Mirada headquarters for Dunkel Bros. includes wide, meandering

sidewalks ensuring the safety of the community while offering a close up look at the detail of the free exhibit. A stage has also been built for Christmas-themed shows and carolers.

SCHEDULE: Santa will appear nightly 6-9- p.m. Saturday December 1st through December 23rd. The jolly old elf will be handing out gifts for the kids.

Santa's reindeer arrive nightly 5-10 p.m. for eight days beginning Saturday December 15th.

Look for our live broadcast on Facebook Sunday December 4th at approximately 5:00 p.m.

OTHER XMAS DISPLAYS: The "Christmas Vacation" display at 15912 Golva is back this year bigger and better than ever. The display is set to be ready Saturday December 1st.

A really cool display is located at 14774 Hardaway Drive, go by and check it out.
